AT THOMPSONGAS, SAFETY IS A PRIORITY.

Whether you need a delivery after hours or think you may have a leak, ThompsonGas will be there 24/7. That's why Thompson is the Trusted Name in Propane.

IF YOU THINK YOU HAVE A LEAK. CALL THOMPSON GAS IMMEDIATELY 800-768-6612 AND FOLLOW THE PRECAUTIONS BELOW.

1. No Flames Or Sparks!

Immediately put out all smoking materials and other open flames. Do not operate lights, appliances, telephones, or cell phones. Flames or sparks from these sources can trigger an explosion.

2. Leave The Area Immediately!

Get everyone out of the building or area where you suspect gas is leaking.

3. Shut Off The Gas.

Turn off the main gas supply valve on your propane tank, if it is safe to do so. To close the valve, turn it to the right (clockwise).

4. Report The Leak.

From a neighbor's home or other nearby building away from the gas leak, call ThompsonGas at 800-768-6612 right away. If you can't reach your propane retailer, call 911 or your local fire department.

5. Do Not Return To The Building Or Area

until ThompsonGas determines that it is safe to do so.

6. Get Your System Checked.

Before you attempt to use any of your propane appliances, ThompsonGas must check your entire system to ensure that it is leak-free.

TERMS

Subject to the terms of a customer agreement, payment is due upon receipt. A LATE CHARGE is assessed on past due balances. The Late Charge is computed by a periodic rate of 1.5% per month (which is an ANNUAL PERCENTAGE RATE OF 18%) on that portion of the previous balance over 30 days less payment and credits appearing on this statement. This form also serves as notification that fuel service may be discontinued on past due amounts without further notice. Note: a service charge of \$35.00 will be assessed for checks returned for insufficient funds and for collection processing after your balance is forty-five (45) days past your delivery date. All payments received after the statement date will be credited on your next statement. Remit payment by due dates unless you have an Auto Pay account. A late payment fee may be incurred if your payment is not received by the due date. Based on market conditions and the state in which the delivery was made - the Hazardous Material (HM) delivery fee is \$9.98. Payment Processing: When you provide a check, you authorize us either to use the information from your check to make a one-time electronic fund transfer from your account or to process the transaction as a check.
